VentX Studio is your one stop shop for all your interior design solutions that will help bring your idealized visions to life in a personalized, practical and realistically unique way

ABOUT US AND EXPERTISE

VentX Studio is a versatile consultancy and construction firm offering a comprehensive range of services. Specializing in interior design, project management, architecture, civil and structural engineering, and quantity surveying, the company seamlessly combines creativity with precision.

With a commitment to excellence, VentX Studio transforms client visions into reality, ensuring a harmonious blend of aesthetics and functionality in every project. The team's expertise spans diverse disciplines, creating spaces that inspire and endure, managing projects seamlessly, and providing meticulous cost management. VentX Studio continues to redefine industry standards, delivering holistic solutions that leave a lasting impression.

1. TAILORED INTERIOR CONCEPTS

We specialize in conceptualizing and executing personalized interior designs that seamlessly fuse form and function. Our team ensures meticulous planning and flawless implementation to bring your vision to vibrant life.

2. ARTISANAL FURNITURE CRAFTSMANSHIP

Our commitment to quality craftsmanship shines through our furniture production services, delivering bespoke pieces crafted to align with your distinctive design preferences. Functional and stylish, our furniture complements your interior spaces seamlessly.

3. REVITALIZING EXTERIORS AND LANDSCAPES

Transform your surroundings with our expertise in exterior design and landscaping. From enhancing outdoor aesthetics to creating functional spaces, we design and execute projects that elevate the appeal and utility of your property.

4. ELEVATED INTERIOR CURATION

Beyond design, our interior styling services add the final touches to your spaces. We curate and arrange furnishings, decor, and accessories, ensuring a harmonious and inviting atmosphere that reflects your individual style.

RESIDENTIAL

In residential design, we craft personalized spaces, harmonizing functionality and aesthetics. Meticulous planning, thoughtful furnishing selection, and client collaboration define our approach, creating homes that seamlessly blend style and comfort.

ADMINISTRATIVE

In administrative design, we optimize spaces for efficiency and functionality. Our approach involves strategic layout planning, ergonomic furnishings, and streamlined organization. Collaboration with clients ensures tailored solutions that enhance productivity and workspace aesthetics.

COMMERCIAL

In commercial design, we focus on creating dynamic and efficient spaces. Through strategic layout planning, ergonomic furniture choices, and attention to brand identity, we deliver work environments that inspire productivity and align with business objectives.

SCOPE OF WORK

OFFICE SPACE

In office space design, we prioritize functionality and a conducive work environment. Our approach integrates efficient layout planning, ergonomic furniture selection, and aesthetic elements that promote productivity. Collaboration with clients ensures tailored office spaces that reflect corporate identity and support employee well-being.

OUR CLIENTS

In extending heartfelt gratitude to our esteemed clients, we deeply appreciate the trust you place in our design and consultation services. Your unique visions are the beating heart of our inspiration, fuelling our unwavering commitment to delivering designs that transcend expectations. Being your chosen design and consultancy partner is not just a privilege, but a shared journey where we bring your dreams to life. Thank you for allowing us to be a part of your vision, turning spaces into personalized works of art.

Understand . Innovate . Transform

THE FOUNDERS

BORNAVENTURE OTIENO

CO-FOUNDER & CHIEF EXECUTIVE OFFICER

Otieno, a Maseno University graduate with a Bachelor's degree in Interior Design with IT, has emerged as an outstanding interior designer. Commencing as an intern at Dezinepoint Interiors in 2020, his exceptional dedication led to a rapid promotion to Chief Designer later that year. In this influential role, he spearheaded a team of three designers and 18 technicians, honing invaluable leadership, management, and marketing skills. Otieno's collaborative spirit extended to partnering with respected firms like Aura Interiors Limited, Vivid Interiors, Apricus Interiors, Wood Handlers, among others, showcasing his diverse expertise in design and construction.

MESHACK OCHIENG'

CO-FOUNDER & OPERATIONS MANAGER

Meshack Ochieng, a skilled cost consultant with a Quantity Surveying degree from JKUAT, has excelled since 2019 at Hamirae Holdings Limited. Key consultant at Jasu Trading since Feb 2023, he manages costs for three major projects. In 2023, he became Assistant Quantity Surveyor at Buildcare Consultants, while also serving as an external cost consultant for Aura Interiors and Ananda Builders since 2022, highlighting his versatility in construction. Meshack's journey reflects a commitment to excellence and strategic cost management.

AMITO JOSEPH

CO-FOUNDER & HEAD OF BRANDING AND DESIGN STUDIO

Joseph Amito, a Maseno University alumnus with a degree in Interior Design and IT, charts an inspiring journey marked by an unyielding commitment to excellence. From his formative days at Perfect Space Design to his present roles with Dezinepoint Interiors Ltd, Olive Oak Interiors, and OJR Interiors, Amito consistently pushes the boundaries of creativity. His ability to not only meet but exceed client expectations underscores his exceptional skill and dedication within the dynamic realm of interior design.

THE CREATIVES

STEPHEN KYUNGUTI KYALO
ARCHITECT

Kyunguti is an accomplished architect with experience balancing creativity with structural and social restrictions. Having graduated from the esteemed Technical University of Mombasa, he has extensive exposure and experience that have equipped him for the demands of the architectural sector. In firms like RRS Architects and Architronic Architects, where he applies his creativity and skill to adapt ideas that are at the forefront of 21st-century requirements, Stephen has led the way in unique architectural designs that have enabled him to serve with distinction.

DOROTHY ONYANGO
LANDSCAPE ARCHITECT

Dorothy, a passionate landscape architect, seamlessly blends creativity with environmental consciousness in her projects. With expertise in design and environmental science, she navigates the delicate balance between nature and human intervention. Dorothy's work stands out for its aesthetically pleasing designs that also prioritize ecological responsibility. Continuously pushing boundaries, she remains a notable professional in the field of landscape architecture.

ELLY OLUOCH
CIVIL AND STRUCTURAL ENGINEER

Elly Oluoch is a distinguished civil and structural engineer known for his commitment to excellence in designing and constructing resilient infrastructure. With a strong academic foundation, he skillfully integrates creativity and technical precision into his projects, exceeding industry standards. Elly's work reflects a profound understanding of structural dynamics and environmental considerations, showcasing sustainable and efficient solutions. Throughout his career, he has consistently pushed the boundaries of engineering possibilities, earning a reputation as a notable professional in the field.
